Description :

PDF-32535 | Forget everything you think you know about contemporary theater design. The explosive work of Russian-born George Tsypin is changing the way audiences see theatrical productions of all kinds, and it will alter the way you think about what you see on a stage. Thanks to Tsypin, the days of stark, minimalist, almost empty sets are over. His maximalist creations fill the theater's black void with a fe... *George Tsypin Opera Factory: Building in the Black Void*
