Description :

PDF-6ae55 | It is the year 2098. Sara Storm has just come of age in a republic founded upon the objectivist principles of Ayn Rand - selfishness, minimal government, and laissez faire capitalism. It is a society in which the collectivist pronoun "we" has been replaced with the ideologically correct "I and you." A true believer in the ideals of her nation, Sara launches her military career with zeal and great ... *I and You*
