Description :

PDF-11594 | A sweeping journey through the history of Japanese animation, tracing this cultural phenomenon from its origins in traditional art to the present day. A dominant force in its home country since the 1970s, Japanese animation has become a global phenomenon in recent years. But far from being a contemporary invention, anime draws on the same centuries-old artistic traditions that form the basis of ma... *Japanese Animation: From Painted Scrolls to Pokemon*
