Description :

PDF-9c42c | Well-drawn black and white manga is already some of the most visually expressive fiction available today. Let's Draw Manga -- Using Color adds a powerful weapon to an aspiring manga artist's arsenal. A graduate of this book may use color to heighten the glitz and dazzle of an onstage performer in lights, capture the gloom and doom of a mad professor's castle, or heighten the tension when a corner... *Let's Draw Manga: Using Color*
