Description :

PDF-62f5b | The second volume of the critically acclaimed, multiple award-winning series PROMETHEA is every bit as good as, if not better than, the first volume — and we don't make that statement lightly! This collection follows Sophie Bangs, the latest in a long line of Prometheas, on a winding journey of discovery as she continues to learn the secrets of the Immateria...and herself. Her transcendental adve... *Promethea*
