Description :

PDF-7a696 | An award-winning cartoonist teams up with an award-winning psychologist to introduce readers to the complex?and often comedic?world of psychology. Psychology is the study of human behavior. It is a serious and worthy endeavor that has given us scientific knowledge of the ways our minds make sense of the world. Yet, as cartoonist Grady Klein and psychologist Danny Oppenheimer point out, the stu... *Psychology: The Comic Book Introduction*
